

## Supporting the 2024 Trophy Club LGA Breast Cancer Tournament: Empowering WINGS and Community Health

We are honored to once again support the 2024 Trophy Club LGA Breast Cancer Tournament, benefiting the incredible organization, WINGS. This non-profit's mission to provide free breast screenings and remove barriers to breast health aligns with our values at CL Life.

WINGS' commitment to accessible healthcare makes a real impact, giving those in need the chance for early detection and peace of mind. At CL Life, we believe success is about more than business—it's about giving back to the communities that mean so much to us.

Thank you to everyone involved in this meaningful event. Your support empowers WINGS to continue their essential work, fostering hope and health for those affected by breast cancer.
